Commissioner for Patents

The reply filed on 03 June 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The format of the amendment is improper. As set forth under MPEP 714(c)(3), amendments that comprise clean version of claims (i.e., claims without brackets or underlining) are to reflect one of four status indicators: "original," "withdrawn," "previously presented," or "new." A review of the amendment finds claims that reflect some other status identifier. Applicant is requested to resubmit the amendment whereby all claims are accounted for and reflect a status identifier as set forth in MPEP 714. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Bradley L. Sisson whose telephone number is (571) 272-0751. The examiner can normally be reached on Monday through Thursday from between the hours of 6:30 a.m. to 5 p.m.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Gary Benzion, can be reached on (571) 272-0782. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system.
